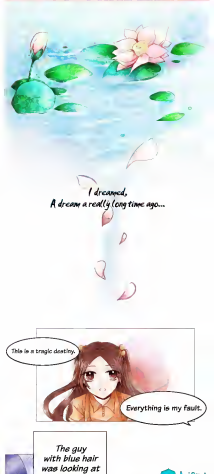
Dream Girl
Illustrated by Misty Rain



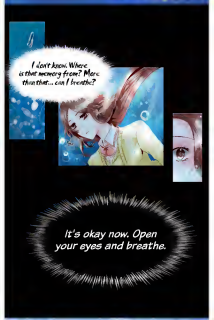
I dreamed,
A dream a really long time ago...

This is a tragic destiny.
Everything is my fault.
The guy with blue hair was looking at me sadly for a long time...
MISTY RAIN
When I think about it now, he knew everything

If I knew it then...
If I made a different choice, would it be different now?
I will wait for you.
Even though I don't know when it will be...
I don't know what you are.

But please promise me...
Never forget me until we meet again
Yes... he knew everything from the beginning.
He knew that our destiny was going to be like this.

And it was all preserved from the beginning.
My memories are all mixed up. Who was it... then?



I don't know. Where is that memory from? More than that... can I breathe?
It's okay now. Open your eyes and breathe.

Are you awake?
The child with the power of water.
I will give you a choice.

MISTY ROIN
Your life is over.
...A New life?
But, I will give you a chance again.
Is this a dream
Do you want to live again?
NO, NOT AT ALL.
Why? Why are you giving up on your life?

I have no place to return to and nobody who wants to see me happy.
Okay. Then child,
I will grant you one wish.

But, there is a price for it. What are you going to do?
Do you want to form a contract with me?

YOUR HIGHNESS!

YOUR HIGHNESS!
PLEASE ANSWER ME!

YOUR HIGHNESS!
Ah... I'm going crazy.
Where is he now?

I think I went almost everywhere where he might be. What's left now is...

HEY! SHUH!

MISTY RAIN
I didn't see him near the East gate or the North gate. What about you there? Can you see him a little?
It is the same.

This is bad. There is a rumour out in the palace, and people are gathering in groups.
Where is the Emperor at a time like this?

Something should happen?
Don't say anything unnecessary.

You know how important this is, Jin Hwi?
The honour of the Emperor is on the line.

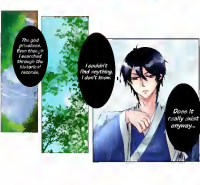
And if we don't go in there right now, the advisor might really kill me.
Depressed

Actually,

I know a place where he might be. But, it's a special place.
It's not a place that we can enter.

MISTY ROIN

Closed.



The gold emblem... Could it have been brought through the forbidden entrance?
I wouldn't find anything I don't know.
Done it really went anyway...

But I still believe in it.

This is all my fault. It is from my mistake and I have to take the responsibility for it.
The third day. The strange visitor in the palace.
She is like your mother,
She is a special being.
Everything will depend on your choice as the Emperor of this country.

No, it's clear. This child is the strange visitor, whom the Water god prophesied would come and the child who'll become the god priestess.

Artist Company
